

## LA FLOR de POTOSÍ

7 Songs

92 pages of LESSON PLANS, including:

- 1) lyrics
- 2) lyric listening exercise (cloze)
- 3) follow-up vocabulary exercise unique to the Musicapaedia system which enables students to learn ALL vocabulary words without a dictionary!!!! (Spanish-English but with the unique Musicapaedia method)
- 4) 10-step MUSICAPAEDIA lesson plan for these (or any) songs, which details minute by classroom minute *how* to present the songs
- 5) intelligent and engaging exercises that take full advantage of the grammar in the songs so that even a *non*-Spanish speaking substitute could deliver the lesson successfully in your absence (*how important is that for you 1 2 3 4 5?*)
- 6) answer keys to the surfeit of quality exercises
- 7) crossword puzzles for vocabulary, for each song
- 8) fun, historical, and insightful grammatical explanations
- 9) oh yeah, the best music you will ever hear!!!!

SONGS are in the same CLASSIC ROCK genre, and composed by the same musician/singer/educator

TOM BLODGET\*\*\*\*\*

(link we'll do later to resume of Butte College and Shasta College)

who produced the first two

CD/Lesson Book packages in this series in 1999 and 2000.

THIS CD is not just for beginners but for ALL LEVELS!

As all of these songs are in the *present tense*.

Therefore you can use them in every class you teach,

from the *very beginners to the advanced levels!*

Check out the testimonials {LINK} on-site. Both teachers and students LOVE the songs!
